

ABOUT ORDERING

PLEASE READ BEFORE ORDERING

This catalog cancels all previous catalog listings and prices. Do not order from catalogs dated prior to 2009. Minimum order \$25.00 plus packing and handling. Full payment with order by check, money order or credit card. **Credit card purchases will be charged when we receive your order.**

SUBSTITUTIONS & REFUNDS

Supplies of plants are limited to available stock. We will not substitute without your permission. A list of acceptable substitutes is suggested and **highly recommended** if ordering later in the season. Some of the newer varieties are in short supply, so **PLEASE ORDER EARLY**. You will be notified immediately on out of stock varieties.

GUARANTEE

All plants are freshly dug, labeled true to name and healthy when shipped. The garden is state inspected to help insure quality, disease free plants. If there are any problems, please notify us within 10 days of receipt of shipment and we will replace any plants that you are not happy with. We can't accept responsibility for plants lost due to climate or garden conditions.

GIFT PLANTS

Please select GIFT plants from our BONUS OFFER listing on inside front cover. These bonus plants are the same high quality as other introductions but increase is even more abundant, thus allowing us to offer them to you as our "Thank You" for your order. Also, check out our 2010 Introduction Specials described on inside front cover.

CATALOG

Our catalog is issued yearly. We love having you on our mailing list. Because of the expense of producing and mailing a catalog, we need to know that you want to be there. If we haven't heard from you in two years, we will regretfully remove your name from our list. After that, we ask that your catalog request be accompanied with \$6.00

SHIPPING

Because of steep increases in Priority Mail & UPS 3 Day Select rates, we will ship by UPS Ground unless you request shipping by Priority Mail or UPS 3 Day Select and additional charges are paid. For shipping by **Priority Mail or UPS 3 Day Select** add \$1.25 per plant to UPS Ground per plant rate. For instance, .50¢ UPS ground per plant charge + \$1.25 additional cost = \$1.75 per plant.

GIFT CERTIFICATES

Certificates are available in \$5.00 increments starting with \$25.00 minimum. Please designate whether the certificate and copy of our catalog is to be sent to you or the gift recipient. Plants will be mailed at the proper time. Many clubs have found these to be terrific door and show prizes.

CLUB ORDERS

Available to U.S. garden clubs only. No individual orders accepted. Orders must be accompanied by a garden club check - no personal checks or credit cards. This is an excellent way for societies to help update their member's iris collections. Send any amount of money (Minimum order \$100.00) and we will send you 3 to 4 times that amount in iris. Shipping costs are 20% of the amount ordered. These are mature, full sized plants, not little dinky leftovers. Please tell us the date you want them and whether you prefer the newest varieties, not quite so new or a mix of both. At these prices, we are not able to send older/minimally priced varieties. Varieties we send must be of our choosing and will contain a majority of Mid-America Garden introductions. We will not send varieties we consider inferior and that you wouldn't want to grow. No club orders shipped before July 5.
