ABOUT ORDERING

SUBSTITUTIONS AND REFUNDS

Substitutions are not usually necessary but if they are we will not substitute without your permission. If ordering late in the season it is recommended to include a list of acceptable subs. Any subs made will be for equal or greater value.

GUARANTEE

All plants are freshly dug, labeled true to name and healthy when shipped. If there are any problems, please notify us within 10 days of receipt of your shipment and we will replace any plants that you are not happy with. We cannot accept responsibility for plants lost due to climate or garden conditions.

GIFT PLANTS

Gift plants will be sent with each order and will be of our choosing, but suggestions are welcome. Gift are usually limited to Mid-America current or recent intros.

SHIPPING

We ship most packages by UPS three day, (guaranteed) Select. West Coast States are usually shipped UPS ground or in the case of smaller packages priority mail. The goal is for you to receive your plants in the most economical way and within three days from the time of shipping. If you wish to have your order shipped specifically by priority mail please contact us as additional shipping charges will apply.

CLUB ORDERS AND GIFT CERTIFICATES

Gift certificates are available starting at \$30. Club orders are limited to U.S. customers only and must be purchased with a club check. This is an excellent way for societies to help update their member's iris collections. Send any amount of money (\$100 minimum) and we will send you 3 to 4 times that amount in Iris. Shipping costs are 20% of the amount ordered. Please tell us the date you want them and whether you prefer the newest varieties, not quite so new or a mix of both. At these prices, we are not able to send older/minimally priced varieties. Varieties we send must be of our choosing and will contain a majority or Mid-America intros.
